Explore Southern Alberta History & Culture

There are many voices and perspectives represented in these galleries. These people and events have influenced contemporary life in this part of the world.

 **MAVERICKS** Experience Alberta's history through the lives of some of the fascinating people who shaped this province with their ingenuity, ambition and adventurous spirit.

 **NEW SUN GALLERY** Enjoy a glimpse into the traditional cultures of Canada's First Nations, Inuit and Métis communities.

 **NIITSITAPIISINNI: OUR WAY OF LIFE** You are in Treaty Seven territory. In this exhibition, you'll learn about the history, traditions and values of the Blackfoot people from their own perspective.

Experience Art

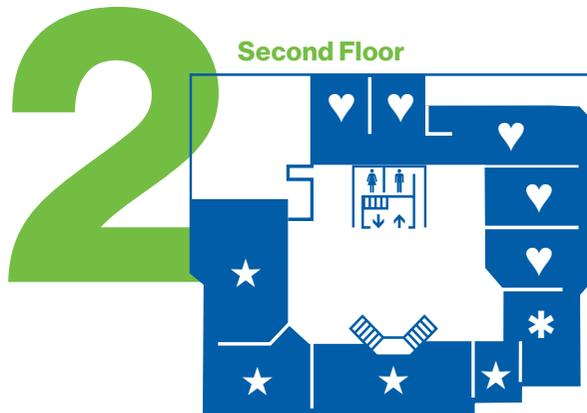

Explore a huge variety of texture, colour and ideas in our second floor galleries. You'll find exhibitions of national and international art alongside with artworks created and curated here in Calgary.

 **FEATURE EXHIBITIONS** Glenbow is never the same place twice. In our feature exhibition galleries, you'll find intriguing shows of contemporary, modern and historic art, pop culture and the art of making. These exhibitions change three times a year.

 **HIGHLIGHTS FROM GLENBOW'S COLLECTION** In these galleries, you'll see an intriguing selection of art that represents the variety and diversity of the over 33,000 artworks in Glenbow's collection.

 **DISCOVERY ROOM** Inspired by what you've seen at Glenbow? Visitors of all ages are invited to explore their own creativity in the Discovery Room.

Fourth Floor

Discover Stories from Around the World

Just like a work of art, an everyday object can tell a story about how it was made, who used it and the cultural values it represents.

 **WARRIORS** You'll encounter stories of courage, cunning and sacrifice from past and present cultures, including First Nations of the Plains, Maoris, Samurai, Medieval Europeans, the Canadian Military.

 **PORTRAIT GALLERY** Glenbow is hosting a series of exhibitions drawn from the country's largest collection of portraits at Library & Archives Canada, in Ottawa.

 **MINERALOGY** Marvel at the colourful, the ancient and the bizarre - these geological treasures will leave you amazed.

 **WEST AFRICA GALLERY** Myths, legends and stories of everyday life intertwine in the West African Gallery with art and cultural material from Cameroon, Cote d'Ivoire, Ghana, Mali and Nigeria.
