

Donors

As an independent non-profit, member-based organization, over 60 percent of Glenbow's operating revenue is generated by fundraising, museum and program admissions, Glenbow memberships and from sales in the Museum Shop. We rely on the financial support we receive from people like you to ensure that Glenbow continues to be an accessible and inspiring community resource for unparalleled arts experiences. Glenbow's community of supporters and donors are a group of people who believe in the importance of art and culture and the role that Glenbow plays in building a vibrant, thriving and resilient community. We gratefully acknowledge the significant contributions made by the following donors, sponsors and supporters from April 1, 2020 – March 31, 2021.
